Re: Upcoming Consult

Thank you for scheduling an initial consult with me. The purpose of a consult is to determine if we are a good fit for each other and if my caseload will allow the dedication your particular case will need.

For one hour, there is a \$100* consultation fee which can be paid by cash, check, or card on the day of the consult. In the event we exceed one hour my hourly rate of \$300 will be applied and billed in 6-minute increments which will be due at the end of the consult.

After our consult ends, we would then discuss entering into a separate retainer agreement for representation. If you agree with these terms, please sign and date below.

Please complete and return this agreement and the Family Law Questionnaire at least one (1) business day before our meeting along with any other paperwork or documentation that pertains to your matter. Thank you.

Yours truly,

Brittany A. LaBerge
